Date and Time of the Event:

Monday, 08 June 2026, 3:00 PM to 8:30 PM

AIESEC in Aachen - A Contribution of Students from all over the World

AIESEC is the world's largest youth-led organization, active in over **100 countries** for more **than 70 years**. We empower young people to develop their leadership through practical experiences that promote global understanding and social responsibility. In Aachen, we connect international and local students through cultural events and offer global opportunities in volunteering, internships, and teaching. These programs contribute to several **UN Sustainable Development Goals (SDGs)**, including quality education, gender equality, climate action, and youth empowerment. Through these initiatives, we help students grow into socially conscious, globally minded leaders.

Global Village – A Celebration of Culture in Aachen

Twice a year in **June & November** AIESEC Aachen organizes **Global Village**, one of our biggest and most vibrant events. It's a multicultural festival where international students represent their home countries through food, music, traditional clothing, and performances.

Visitors can try authentic dishes, join in dance and music, explore cultural booths, and engage in conversations with people from all over the world, right here in Aachen. It's a celebration of diversity, unity, and global friendship.

Each edition of Global Village attracts around **1,000 participants** and brings together dozens of nationalities in one space. It's not only entertaining but also educational and inspiring for all who attend.

We Need Your Support – Become a Sponsor:

To keep this amazing event free and accessible, **we are currently looking for sponsors and partners** who can help us make the upcoming Global Village a success.

Our estimated budget of €3000 is based on welcoming 1,000 participants. Funds will be used for:

- **Booth Support & Cultural Materials** – Major funding goes into the planned 15 cultural booths, empowering students to showcase traditional food, decorations, and heritage
- **Event Theme & Atmosphere** – each event follows a theme (e.g. *Travel the World*); we create immersive environments that reflect global diversity
- **Interactive Experience** – custom passports (*previously coloured printed paper used*) let attendees “travel” between booths, learn, collect stamps, and win sponsored prizes
- **Promotional Materials** – flyers pre-event, signage on-site, and guided pathways during the event
- **Serving Essentials** – cutlery, cups, plates, napkins for shared food experiences
- **Supplies & Logistics** – event equipment and setup materials to support smooth operations
- **Financial contributions** for venue, equipment, and supplies

In return, sponsors receive visibility at the event, mentions in our communications, and the opportunity to connect with a diverse audience of students, young professionals, and community members from around the world.

The Student Parliament is to resolve:

AIESEC in Aachen e.V. is granted a subsidy of up to €3000 for the event "Global Village SS 2026".

The final financial report will be submitted within the standard 6-month deadline.

Shifts of up to 20% per item are allowed between the expenditure items in the submitted budget.
